RENEWED PETITION UNDER 37 C.F.R. § 1.181 REQUESTING  
WITHDRAWAL OF THE DISMISSAL OF APPLICANTS' APPEAL

Dear Sir:

In accordance with the provisions of 37 C.F.R. § 1.181, Applicants' counsel respectfully petitions the Commissioner to withdraw the dismissal of the appeal in the above-identified application because the dismissal was due to the failure of Applicants' counsel to receive the Examiner's Answer and Examiner Interview Summary Record that was resent to Applicants' counsel on February 23, 1995. This Petition is filed in response to the Decision of Petition mailed by the Patent and Trademark Office on October 3, 1995.

Applicants' counsel filed an Appellant Brief on September 13, 1994, in the above-identified application. After the Appellant Brief was filed, an Associate Power of Attorney was filed in the Patent Office directing that all future written communications be sent to Audley A. Ciamporzero at One Johnson & Johnson Plaza, New Brunswick, NJ 08933-7003. In spite of the filed Associate Power of Attorney, the Patent Office mailed the Examiner's Answer on December 16, 1994 to J. Lanny Tucker at Eastman Kodak Co. Upon receipt of the Examiner's Answer from Eastman Kodak Co., counsel at Johnson & Johnson contacted Examiner Tran on January 19, 1995, and requested that the Examiner's Answer be resent and the period for response reset. At that time the Examiner agreed to the request and the Examiner's Answer was resent on February 23, 1995.

Applicants' counsel, however, did not receive the resent copy of the Examiner's Answer and filed a Request for Resending of the Examiner's Answer and Restarting of the Period for Response on August 11, 1995. This Request, treated as a petition under 37 C.F.R. 1.181 by the Patent and Trademark Office, was dismissed in a Decision mailed October 3, 1995, because the Examiner's Answer had been resent on February 24, 1995. In dismissing Applicants' petition, the Patent and Trademark Office stated that the present situation appeared to be covered by 1156 O.G. 53 titled "Withdrawing the Holding of Abandonment When Office Actions Are Not Received" and suggested that Applicants' file a renewed Petition under 37 C.F.R. § 1.181 based on the notice in 1156 O.G. 53. Accordingly, Applicants' counsel is filing this renewed Petition.

In support of this renewed Petition, Applicants' counsel respectfully states that:

1. The resent Examiner's Answer mailed by the Patent and Trademark Office was not received by Applicants' counsel at Johnson & Johnson.

2. A complete search of the file jacket of the above-identified application was conducted and no copy of the resent Examiner's Answer was found.

3. In addition, a complete search of the computer docket system used by Johnson & Johnson indicated that the resent Examiner's Answer was not received by Applicants' counsel. Attached as Exhibit A is a copy of the docket records for the above-identified application. If the Examiner's Answer had been received, it would have been entered into the computer docket system and would appear on page 2 of the attached docket history printout.

Favorable consideration of this Petition, withdrawal of the dismissal of the appeal, and remailing of the Examiner's Answer in the above-identified application with a new date for response are respectfully requested.

If there are any fees due in connection with the filing of this request, please charge the fees to our Deposit Account No. 10-0750/KDK-489/SLO in the name of Johnson & Johnson.

Respectfully submitted,

Stasia L. Ogden
